BOY WONDER

He's dated Lara Stone, partied with Paris Hilton and is mates with our Mossy. So what's model Jordan Barrett got that millions of other good-looking teens haven't? *Josh Glancy* meets him to find out

PHOTOGRAPHS:

Being Jordan Barrett seems like a lot of fun. The Australian model has frustratingly perfect cheekbones, a happy-go-lucky view of the world and as much female attention as he can handle. He goes to Scott's with Lara Stone. Kate Moss fusses over him on the front row. He gets papped with Paris Hilton. In fact, if you believe everything the gossip websites tell you, he's slept with pretty much every A-list girl from Sydney to Hollywood.

Jordan is living in LA at the moment, but in truth he's always somewhere different: a flight, a photoshoot, a dinner, a party. He says he gets most of his sleep on aeroplanes. If you were 30 and had been doing this for a decade, it might start to wear. Your skin would begin to age, you'd start to see the dark void that gapes beneath the beautiful people. But Jordan is not yet 20 and, as the brightest new constellation in the male modelling universe, he's already been shot by Mario Testino and David Sims, and cast as a campaign face for Tom Ford, H&M and Balmain. He has walked for Versace and Moschino, and last year was hand-picked by Naomi Campbell for her charity fashion show. He'll be back on the runway at Paris Fashion Week this week.

I hope he realises just how golden things are right now. "Yeah, I got lucky," he smiles. "It's so much fun." The smile is almost constant and wins every time, framed by blond hair and piercing blue eyes. Being
