The Look of
LOVE
年轻的爱

年轻时，我们爱得偏执而疯狂。
你若偏爱复古，我便与未来彻底划清界限。如若你的古怪和癖好全世界只有我理解，那便让我们一起对抗这个世界。

FULL VOLUME

Don't let the Renaissance Faire sleeves scare you: The abundance begins at your elbow—the arm's leanest part—so it adds killer drama, not bulk. And it's quite chic with sneaks.

Your Basic
Button-Down?
Ha!

No joke—these WBDs have more than a few tricks up their sleeves. From edgy to ultra-ladylike, work-smart to date-night hot, there's something to fit your plans, your personality, your life.

JUST CHILL

A tux-style top with tailored skinnies? Been there, worn that. But sweatpants are unexpected—and you'll appreciate the comfort at Sunday brunch. Add bold nails, order the pancakes.

EMBELLISH MUCH?

Pearls, beading, piqué: so sweet, so whimsical, so freakin' cute. Balance out the girliness by buttoning it all the way up.

OPTICAL ILLUSION

Yep, your eyes are playing tricks on you: This isn't a shirt dress at all, but a long button-down and an asymmetrical A-line skirt. With brogues and a sporty cap, the look fits right in at a ballgame or the bar.
Reiss shirt, \$145, reiss.com; ICB skirt, \$265, at Joseph, 212-570-0077; Florshiem • Esquivel oxfords, \$595, barneys.com; Tna for Aritzia cap, \$28, aritzia.com

LET'S KEEP IT CLEAN, FOLKS!

Nothing ruins a white button-down faster than a stain or yellow armpit. How not to let that happen:

1. When washing, always follow the old-school advice of separating white clothes from colors. No exceptions! It will maintain brightness and prevent running of colors. Air-drying works too, especially in the sun. (The UV rays have natural bleaching properties.)
2. Treat stains immediately with a Tide pen or dab with lukewarm water. At home, apply enough OxiClean or Raise directly to the stained area to dampen it before washing. No bleach? Try lemon juice, seltzer, or white vinegar—all good substitutes.
3. If you sweat a lot, cover the interior underarms of your shirt with Hollywood Garment Shields (\$11, hollywoodfashionsecrets.com). The moisture-wicking barriers might remind you of pantyliners, but they're superthin, so totally undetectable when adhered.
