AMANDA SEYFRIED
In *Locusts*
"Deep Throat is a disgusting film. It's not artistic, even though it was the first breast-weight porn movie to be released in theaters. I don't have a plot, which is funny. But the long scenes of people having sex were not interesting to me. I watched 20 minutes, and that was enough."
Dorothy

MICKY SUMNER
In *Private 88*
"The first movie I was in a shower was *Walkers of the Lone Wolf*. My dad pulled us all up from school and took us to see also the first time I was allowed to drink. *Cheer* was in there. The movie terrified me. *Baroque* turned me. *Harrison* had me just in general. That and the *Club* took up for my career."
Micki Sumner (Harrison, Baroque, March 1980) (Harrison)
