graffiti chic
Los estampados animales en tonos flúor, los accesorios tamaño extragrande y la imaginación a la hora de mezclar suman una inyección de energía, que rememora la explosión pop de las calles de Nueva York. Playera y leggings en colores neón, ambos de Blumarine; sombrero de piel de zorro, de Michael Kors; cinturón de cuero, de Gucci; botas de gamuza con flecos en plata, de Giuseppe Zanotti; pendientes y collar de New York Vintage.

Nuevos tejidos y una reinterpretación de las décadas pasadas convierten el cuero y las pieles lujosas en piezas clave de una temporada que tiene sabor a glam y rock & roll. Súbete al escenario de la moda. Fotografías de Sarah Silver
