The image shows the cover of JANE magazine. At the top, the word "JANE" is written in large, bold, red capital letters. Below it, on the left, is the text "THE LAZY GUIDE TO GREAT SKIN" in bold black letters, followed by "Glow like you just got some" in a smaller font. In the center, there's a close-up photo of Zooey Deschanel smiling, with her brown hair and blue eyes. To the right of the photo, the text "You + This Move = Sex Goddess (p. 88)" is written in bold black letters. Below the photo, on the left, is the text "TOO BROKE TO FLY?" in bold black letters, followed by "4 awesome road trips on \$100 a day" in a smaller font. Further down on the left, "143 ways to rock summer '07" is written in large, bold, red letters, followed by a list of items: "42 skimpy (not skanky) outfits", "38 beach-beauty steals", "18 life-changing concerts", and "45 hot guys". On the right side, below the photo, "Zooey Deschanel" is written in a large, elegant, black serif font, followed by "On her famous ex and notorious party trick" in a smaller font. At the bottom left, "JUNE/JULY 07" is written in small black letters.
