Body Shaping Cream

Get firm with stubborn curves.

For women who want curves in all the right places, Clarins, the pioneer of body beauty for more than 50 years, presents Body Shaping Cream. Packed with our most effective plant extracts, it zooms in on problem areas - arms, waist, hips, stomach - to visibly firm and redefine. As you massage, its sensationally light, airy texture blends into your skin to help melt away stubborn curves. What's left is the slim, firm figure you really want. Clarins, No.1 in European luxury skin care*.

SUR VOTRE MONTURE JUSQU'AU 28 NOVEMBRE

gael francois 2009 - RCS Versailles 9 349 074 954 - Photo non contractuelle

*Offre de vente liée, valable du 14 septembre au 28 novembre 2009 uniquement pour l'achat d'une paire de lunettes de vue comprenant une monture et 2 verres traités antireflets. Le pourcentage de réduction est calculé sur le prix de vente TTC de la monture, et est équivalent à l'âge du client plafonné à 70%, sur présentation d'une pièce d'identité officielle. A titre d'exemple pour l'achat d'une paire de lunettes avec une monture au prix de 199€ et de 2 verres au prix de 200€ pour une personne de 40 ans, la réduction est de 40% du prix de vente TTC de la monture, soit 79,60€, correspondant à 199€ x 40%. En conséquence, le prix total payé par le client est, dans cet exemple, de 319,40€ au lieu de 399€. Offre non valable sur toutes les lunettes de soleil, les montures optiques sur mesure et les montures de marque portant en magasin une pastille de couleur. Offre non cumulable avec d'autres opérations commerciales et remises, y compris pour les porteurs d'une carte GrandAvantage dont la remise ne peut également être appliquée au prix des verres. Hors tarifs CMU et forfaits GrandOptical Louvain.
