## Wildlife of New York

When Henry Hudson first set eyes on Manhattan in 1609, he was amazed by the possibilities the land held. He saw a fertile strip of land, teeming with wildlife. With its generous harbor and wide waterways, Manhattan connected the island to the sea, the full breadth of new world to the old. Today, Manhattan continues to hold great possibilities. It continues to flourish with life.

For most of its 400+ year history, the island has served as the epitome of discovery, reinvention, and commerce. It is still the supreme intersection of the world, providing a place to grow, build and connect.

Ollie pays tribute to this heritage.

1. Red Tailed Hawk, *Buteo jamaicensis*
2. White Tailed Deer, *Odocoileus virginianus*
3. Grey Mouse, *Peromyscus maniculatus*
4. Grey Wolf, *Canis lupus*
5. Raccoon, *Procyon lotor*
6. Cooncat, *Puma concolor*
7. Honey Bee, *Apis mellifera*
8. Blue Heron, *Ardea herodias*
9. Opossum, *Didelphis virginiana*
10. Red Squirrel, *Sciurus vulgaris*
11. Cottontail Rabbit, *Sylvilagus floridanus*
12. Red Fox, *Vulpes vulpes*
13. Eastern American Toad, *Anaxyrus americanus*
