Do you feel pressure to look and act perfect 24/7?

I think a lot of girls do, and it's unfair because guys don't. Guys can have acne scars and be overweight or rude. If a girl is the least bit sarcastic or she speaks out about something, she's a bitch. It's completely messed up.

How do you deal with haters on social media?

If a girl wears a bathing suit, she is a ho and is body-shamed. If you don't show your body, you're a prude. You take pictures with a guy and you're a ho; you take pictures with a girlfriend and you're a lesbian. I don't understand how girls can sit there and pick one another apart. My friends and I don't do that. Even if I'm not having a good day, my friends are always like, "But babe, your style is impeccable. I love your shoes." No matter what, we always pick out the good things.

You and boyfriend Tristan Klier have been on and off for three years. What have you learned along the way?

Do not stalk who [guys are] following on Instagram, thinking, "She has this. Maybe he likes that?" That'll just kill you. Take it from a girl who never had boobs. Every woman in my family has huge boobs. And the girls in Tristan's school—I don't know what's in their food, but all their boobs are legit huge. I was always flat-chested, and that really gave me a complex growing up. Once I stopped stressing about them, they grew.

HOT & HUMOROUS

CECILY STRONG, 30

TWITTER: @CecilyStrong

FAVORITE HOST? It's hard to choose. Kristen (Wieg), Tina (Fey), and Melissa (McCarthy). I'm speechless around them.

YOUR BOYFRIEND IS CAL'S MIKE O'BRIEN. ANY CONCERN ABOUT DATING A COWORKER? Absolutely. It's probably stupid. But I got the okay from my dad, who is a business professional. It happens. The good thing is I never feel like I'm complaining or talking about my job too much.

YOU'RE A HOUSEHOLD NAME NOW. HOW DO YOU DEAL? Therapy! It's hard when you're thrust into the spotlight. We write 40 scenes every week, and maybe 6 of them make the live show. There's a lot of "Am I not funny?" It's easy to feel overwhelmed and lose your confidence.

PROPS FOR CALLING OUT THE "CRUEL BULLY DICKHEADS" ON TWITTER WHO SUGGESTED YOU WERE PREGNANT. WHY DID YOU DO IT? I felt like I was betraying myself not to say anything. I thought of myself as a 12-year-old. I've never had a hot bod or been seen that way. I didn't want to make it a big deal, but it was nice to feel support from other girls. Boys get it too. It's not even just a girl issue.

CELEBRITY SPIRIT ANIMAL? I love Amy Sedaris so much. I feel like I could have been a part of the Sedaris family.

T-shirt, Obesity and Spend, \$125; shorts, Hanne of Switzerland, \$149; shoes, Bress NYC, \$200; stole, Adrienne Landau

"MY FAVORITE THING TO DO IS PLAY THE CHARACTER WHO MAKES OUT AT THE BAR. I LOVE FAKE, GROSS KISSING."

KATE MCKINNON, 30

WHAT ALWAYS MAKES YOU LAUGH? The sounds that goats and sheep make when they scream like men. I cannot keep myself together when I hear that.

YOU DO A KILLER JUSTIN BIEBER. WHAT WOULD YOU SAY TO HIM RIGHT NOW? I'd get very serious with him and say, "You are good. Hang in there, pal. I love you. You have a core of goodness."

WHAT'S A FAILPROOF SOURCE OF MATERIAL FOR YOU? Weird people doing shit. Like local news stories of a woman wearing hamburger shoes or just people behaving strangely.

FAVORITE SKETCH? My favorite thing to do is play the character who makes out with people at the bar. I love fake, gross kissing. I've kissed Vince Vaughn and John Goodman. Louis C.K. was great. He was the first, but they were all great in their own ways. It takes a special man to put himself in that situation.
