Animal House!
Moraya, 4, and her basset hound, Swiffer McPickles, 1

photograph by DAYMION MARDEL

"I don't like pickles, but he needed a last name!"

MORAYA GIVES TIPS #11 ON HER FUF:

- 1 He's named Swiffer because we hoped he'd clean up after us.
- 2 He loves to watch Cinderella with me.
- 3 Sometimes I'll share my mac 'n' cheese with him.
- 4 I hold his paws so we can dance to Taylor Swift.
- 5 We celebrate the day he came home—we don't know his birthday.

Animal House!
Luke, 6, and his American pit bull terrier, Storm, 8

"He loves playing fetch, though he won't bring the ball back."

LUKE DESCRIBES HIS BEST CANINE FRIEND:

- 1 He weighs 86 pounds, but he actually gets scared of smaller dogs!
- 2 His superpower is hearing. He can hear foxes running through a nearby golf course.
- 3 He's not a big licker, which is good because I don't like being licked!
- 4 We could spend all day together. I love talking to him.
- 5 We give him showers instead of baths! It's easier.
- 6 He loves car rides and is obsessed with swimming.

"If Captain Jack could talk, he would have a French accent."

CLAUDIA TELLS US WHAT HER KITTEN IS GOOD AT

- 1 Staring at the sun like he's at the beach.
- 2 Sleeping in the dog's bed.
- 3 Hiding from the nail clipper.
- 4 Pooping. He eats a lot!
- 5 Sitting down for tea time with me.
- 6 Wearing my hair bows.
- 7 Running the show. He decides when I can hug him.

ANDY, MAYBE?

I was Jack Sparrow for Halloween last year. Ozzy was on my shoulder!

TYLER ON WHY OZZY ROCKS

- 1 He's from the Amazon rain forest.
- 2 He's named after Ozzy Osbourne. He bobs his head when I play the electric guitar.
- 3 We share a birthday!
- 4 He eats healthy: He loves berries and Veggie Stix.
- 5 He plays hide-and-seek and likes to hide under blankets.
- 6 He responds to my whistles and to his own name. He even says hi!
