NASHVILLE, TENNESSEE, used to be just a city of ten-gallon hats and the Grand Ole Opry. Now it's the most electric spot in the South, thanks to a cast of transplanted designers, architects, chefs, and rock 'n' rollers. Here, twenty-five locals show you how to tear up Music City in threads worthy of this reborn southern scene

The NEW DENIM MANIFESTO

Dress it up or dress it down, wear it in pristine dark selvage or ripped-to-high-hell sun-bleached blue. The days of Canadian-tuxedo jokes are over. So are the days of jeans being relegated to weekend wear. Rock a denim shirt with a suit, wrap a bow tie around it. Mix blue denim with black or white. Cuff or roll your jeans to show off some ankle, or let them stack just the right amount. In Nashville, there are no rules. Wait, scratch that—there's one: Try to look half as slick as these upstarts here.

BOY WONDER

He's dated Lara Stone, partied with Paris Hilton and is mates with our Mossy. So what's model Jordan Barrett got that millions of other good-looking teens haven't? *Josh Glancy* meets him to find out

PHOTOGRAPHS:
BEN WATTS
STYLING:
MICHAEL HENNEGAN

Being Jordan Barrett seems like a lot of fun. The Australian model has frustratingly perfect cheekbones, a happy-go-lucky view of the world and as much female attention as he can handle. He goes to Scott's with Lara Stone. Kate Moss fusses over him on the front row. He gets papped with Paris Hilton. In fact, if you believe everything the gossip websites tell you, he's slept with pretty much every A-list girl from Sydney to Hollywood.

Jordan is living in LA at the moment, but in truth he's always somewhere different: a flight, a photoshoot, a dinner, a party. He says he gets most of his sleep on aeroplanes. If you were 30 and had been doing this for a decade, it might start to wear. Your skin would begin to age, you'd start to see the dark void that gapes beneath the beautiful people. But Jordan is not yet 20 and, as the brightest new constellation in the male modelling universe, he's already been shot by Mario Testino and David Sims, and cast as a campaign face for Tom Ford, H&M and Balmain. He has walked for Versace and Moschino, and last year was hand-picked by Naomi Campbell for her charity fashion show. He'll be back on the runway at Paris Fashion Week this week.

I hope he realises just how golden things are right now. "Yeah, I got lucky," he smiles. "It's so much fun." The smile is almost constant and wins every time, framed by blond hair and piercing blue eyes. Being

The Incredibly Fly Bomber Jacket

PHOTOGRAPHS BY BEN WATTS

Run, don't walk, to your favorite style franchise and put down some cash for a black leather bomber jacket. This jacket has just the right bones: It was popularized by fighter pilots during World War II and given the Army-Navy specification number A-2. The 2011 version is all-black (ditch the Indiana Jones brown!) with just enough military details to keep the macho mojo going. Wear it in all the ways hip-hop head-turner J. Cole does here—and keep it on inside the club to drop a bomb on the competition. —JIM MOORE
