TRUTH OR BARE
Dare to bare your skin this summer. Do-it-all moisturizers. Complexion-perfecting treatments. Skin that looks better in the buff.

UNCOVER
Flaunt fresh-faced skin with perfecting treatments

NEW! Kinerase Extreme Lift Face, \$150
What it is: An intensive treatment that firms the appearance of forehead furrows, frown lines and crow's feet—on contact.
How it works: The advanced ingredient roster immediately reduces the depth of noticeable frown lines, while helping to boost collagen for visible tightening.
Why you need it: Skin looks up to 10 years younger in 5 minutes (really—it's clinically tested).

NEW! Murad Intensive Wrinkle Reducer for eyes, \$90
What it is: An aggressive eye treatment that treats crow's feet at the surface and at the cellular level.
How it works: The formula resurfaces wrinkles without irritation, while Dermalin and Retin-A Super-Fast, plus ingredient absorption, antioxidant protection and hydration.
Why you need it: After 1 application eyes feel firm. After 4 weeks, crow's feet shrink up to 33%.

Bliss The Youth As We Know It, \$75
What it is: A time-fighting moisturizer infused with 10 of the most potent youth-promoters Bliss has found over 10 years.
How it works: The all-star lineup of vitamins, peptides and antioxidants helps prevent wrinkles, even tone, decrease redness and smooth lines.
Why you need it: It's one-stop-shopping for age control.

MAKING EYES
All the visual aids you need to be runway ready

Urban Decay Eyeshadow Primer Potion \$18
What it is: An ultra-shine base that glides on the lid and instantly disappears to keep eye makeup from creasing.
What it does: This magic potion acts like glue for eye shadow, eyeliner and eye makeup.
Why you need it: It single-handedly saves your eye makeup from running and pulling a disappointing act.

NEW! Anastasia Beverly Hills Go Brow \$21
What it is: A dual-ended brow pencil and highlighter in one.
What it does: The universal color shades and defines brows of every shade, while the highlighter gives the eye a pop and a lift.
Why you need it: It's your one-way ticket to unforgottably gorgeous eyes.

NEW! Stila Red Carpet Look Shadow Palette with Mini Kajal Liner \$40
What it is: A limited-edition 3-piece eye kit inspired by the couture corruptions seen on the Met Gala's fall runway.
What it does: The matte and shimmer shadows give you a dreamy, feminine look, while the mini eyeliner adds soft definition.
Why you need it: The chic corset hair is a model fave and a glam addition to your fall wardrobe.

SHOWGIRLS

Take center stage with summer's sultriest makeup

NEW Diorshow Black Out Waterproof Mascara \$14

What it is: A waterproof version of Dior's mega popular mascara.

How it works: This buildable, kohl-black formula comes with a plush separating brush to create the bold, voluminous look of false eyelashes.

Why you need it: Sun, sweat and swimming are no match for this baby!

NEW Smashbox Classic Shadow & Liner Quad \$30

What it is: An eye-enhancing quad full of the season's must-have shades.

How it works: Mix 'n' match gold, copper and bronze shadows for a gaze that glows, add deep bronze liner for a summery twist on the smoky eye.

Why you need it: There's no better accessory for beach or BBQ.

NEW Hourglass Illumine Cream-to-Powder Bronzer Duo \$40

What it is: A luminous cream bronzer and highlighter duo housed in a tiny 360° swivel mirror compact.

How it works: The velvety cream-to-powder formula blends seamlessly for natural radiance and glow.

Why you need it: You prefer beauty with brains. This double agent packs vitamins A and E to protect while it perfects.
