SMALL & MIGHTY

Local businesses can now compete globally. AT&T helps businesses everywhere deploy integrated Internet of Things solutions, including connecting irrigation sensors so farmers can decrease water usage and increase profits. Helping local businesses be small & mighty.

The advertisement is split into two main visual sections. On the left, a woman with long brown hair, wearing a light-colored jacket and carrying a large brown bag, is standing at an ATM. The ATM has a sign that reads "ATM 24 HOUR BANKING". On the right, a large, modern control room or operations center is shown. The room has a dark blue background with a large world map and the text "AT&T OPERATIONS CENTER" in a stylized font. Several people are working at desks with multiple computer monitors. A large white ampersand "&" is centered over the image, with the word "CONNECTED" to its left and "PROTECTED" to its right.

CONNECTED & PROTECTED

Today's business world is constantly in motion. AT&T network security helps protect the global economy by detecting cyber attacks in near real time and deploying countermeasures. Helping to keep the world of business connected & protected.
