As style evolves, one piece of apparel remains the ultimate go-to MVP: denim. In all forms. We've never appreciated the effortlessly cool classic as much as we do now. Our ode to the staple, plus creative takes for the fall.

KNEE-HIGHS INSIDE

Sorry to my downstairs neighbors for wearing these fly boots all day every day. (I'll make up for it with a sanitized wine drop-off later.)

Valentino dress. Paris Texas boots.

Turns out, you can really hone your whole vibe when there's zero side-eye around.

OKAY, BLOOMER

If wearing the sweater version of a lingerie set with a coordinating mesh blouse is wrong, I'm not sure I ever want to be right.

Fendi shirt, bra, briefs, and bag. Lizzie Fortunato earrings.

I'm supposed to be talking about fashion but all I can think is, "OMG, THAT PUP." So here's the caption.
