It was precisely the voice we longed to hear. And in so finding it, Jimmy Kimmel emerged as that rare type we don't see on TV, or anywhere in the country, enough these days: a good old-fashioned grown-up

The image shows the cover of the April 29, 2015 issue of Vanity Fair magazine. The cover features a portrait of actor Sean Penn, who is looking directly at the camera with a serious expression, his hand resting on his chin. He is wearing a blue jacket over a grey shirt. The magazine title "VANITY FAIR" is printed in large red letters at the top. Below the title, there are several headlines in black and red text. On the left side, there are smaller headlines about beauty and other topics. On the right side, there is a headline about the death of a man in the Mediterranean. At the bottom left, there is a barcode and some small text. At the bottom right, there is a headline about Robin Wright. The overall design is clean and professional, typical of a high-end magazine cover.
