IN THE NUDE

MANI MATERIALS | ESTÉE LAUDER PURE COLOR NAIL LACQUER IN NUDITÉ (\$21; esteclauder.com) plus matte gold nail studs (find similar ones on etsy.com).

TIP TRICKS | Apply a base coat, two coats of nude lacquer and a layer of top coat to every nail except your ring fingers. Then go back and apply a top coat to one ring finger, dotting an extra dollop in the three spots where you will place gold studs. (Kandalec says to skip adhesive, because it dulls your studs.) Use pointy-tipped tweezers to lay the studs in a vertical line, cuticle to tip. Then repeat on the other ring finger.

H.STERN 18k gold ring with rock crystal and diamonds; hstern.net.

A top-down view of a large cup of cappuccino with a heart-shaped latte art design in the foam. To its right are two smaller cups: one with dark coffee and one with a lighter beverage. Below the large cup is another cup of cappuccino and a small cup of coffee. To the right of these is a silver Tassimo coffee machine with a white cup on its spout. The machine has a control panel with a dial and several buttons. At the bottom, there is a row of colorful Tassimo coffee capsules. The background is black.

Ahh... that exquisite cappuccino you had in Rome on Via Veneto.
Now you can enjoy it via your kitchen.

First-cup freshness every time. Rich coffees. Frothy, real milk cappuccinos and lattes. Hot chocolate and teas. All at the touch of a button.
