Why be subtle when you can stand out?  
These color-saturated lip shades command attention beautifully.

## Swipe Bright

*Pipe Cherry*  
A classic red lip plus unfussy beach hair is the ultimate high-low effort beauty look. Ensure your color stays crisp in the heat by lining and filling in lips with a pencil first (try Covergirl Exhibitionist Lip Liner in Cherry Red, \$10). Then apply Boscia's lip-re-cracking gel, Laura Mercier Volour Extreme Matte Lipstick in Fire, \$28.  
Model: Sammie Quin. Hair: @sammyquinn. Makeup: @maddymakeup.
