It's 7:00 P.M.
Do you know
what you're
doing with
your hair and
makeup
tonight? We
do—and it's a
lot sexier than
just swiping
on an extra coat
of mascara.
It's time for
your after-dark
makeover!

supersize your hair
These waves are to everyday hair what Superman was to Clark Kent! The trick is spritzing on hairspray *before* you curl hair. Then wind one-inch sections around a curling iron, says New York City stylist Thomas Hintermeier. Brush out gently and hairspray again.
JUST DON'T let frizz foil your look. Dab de-fuzzer on strays; try L'Oréal Paris Studio Line Perfect Curves Curl Cream (\$5, at drugstores). For Julie's ruby lips, try Maybelline New York Superstay Lipcolor in Flame (\$10, at drugstores). Dress, Dior; bangle, Fenton.

show some skin

Summer nights call for something a little more magical than the all-business lotion you slap on every A.M. Use one with light-diffusing particles, says New York City makeup artist Brigitte Reiss-Andersen; try Johnson's Body Care Be Radiant Cocoa & Shea Butter Lotion (\$5.50, at drugstores).

JUST DON'T hide all that radiance—sweep hair into a touchable updo.

To help it stay put, first work texturizer into damp hair; we like Number 4 Texture Styling Crème (\$34, ronrobinson.com). Blow-dry and loosely pin up. Dress, Marchesa; tights, DKNY; boots, Gucci.

smell unforgettable
You want your scent to stand out without being the female equivalent of the cologne-d-up guy you can whiff across the dance floor. So dab just a bit on your wrists. Then mist in the air and walk through; scent clings to hair longer than it does to skin.
JUST DON'T rub your wrists together too hard when applying perfume, says Boston-based fragrance expert Tania Sanchez. That creates a lot of heat, which can make it wear off faster. Vest, Sonia Rykiel. See Go Shopping for more information.

guys,
when's a woman most sexy to you?

"I LOVE THAT THING MY WIFE DOES WITH SUPER-DARK EYESHADOW—WHAT IS IT, SMOKED EYES? IT'S HER DARK SIDE COMING OUT TO PLAY."
—Justin Crane, 31, New York City

"MY GIRLFRIEND'S SO SEXY WITH HER HAIR IN A PONYTAIL. I KNOW GIRLS THINK IT'S BORING, BUT I LIKE THAT SHE'S CONFIDENT ENOUGH TO SHOW OFF HER FEATURES."
—Nick Mosher, 28, Dallas

"RED POLISH POKING OUT OF MY FIANCEE'S PEEP-TOES DRIVES ME CRAZY. SOMETIMES I'LL EVEN PAINT THEM FOR HER, AND SHE SAYS I DO A BETTER JOB THAN SHE DOES!"
—Ron Tarquinio, 26, Pittsburgh

"WHEN SHE MAKES ME LAUGH, IT'S THIS INTIMATE CONNECTION WE SHARE."
—Chris Ostareklo, 25, St. Paul, Minn.

"IT'S HOT WHEN A GIRL GETS INTO BED IN BOY SHORTS AND A TANK, WITH HER HAIR ALL TOUSLED, TO ME, LOOKING NATURAL IS SEXIEST."
—Rick King, 39, Houston
—Amber Kallor

bronze your eyes

Apply a bronzy shadow from your lash line to brow bone, fading it as you go; try Estée Lauder Double Wear ShadowStick in Bronze (\$18, esteelauder.com). Then smudge a gunmetal gray pencil on your upper lash line and add mascara.

JUST DON'T do shimmery lips at the same time.

For her shade, try Elizabeth Arden Ceramide Plump Perfect Lipstick in Perfect Pink (\$22, elizabetharden.com).
