CALIFORNIA DREAMIN'

Tamaryn
Musician/Artist, Aqueduct

Current mood: Checked in. **Current soundtrack:** The Who, "This Is the Shop." **What are your most defining characteristics?** My indifference to accepting love and my total absence from the traditional people. **Do you have any idols?** Johnny Cash and Alan McGee. **What do you despise?** Not inspired songs. **What's your favorite recent memory?** Driving cross country on Route 66 in my little black convertible. **Favorite drink?** James. **Favorite restaurant?** I am afraid of Boudier. **Favorite drink?** I am. **Getting lost in a labyrinth?** In West Virginia and making it to New York just in time to be here in Manhattan on New Year's Eve. **What would you attempt that you've never tried?** Making money.

BY TASHIRY'S OWN

As much a harbor for artists as a hallowed destination for would-be megastars, Los Angeles today is all about fusion. No wonder the new generation of underground hybrids are calling it home—and causing quite a stir.

PHOTOGRAPHY HEDI SLIMANE

Geneva Jacuzzi
Katerinac/Edgema, Lee (Cancer camp)

Current mood: Faded. **Current soundtrack:** Karl Fark, Boudier, my ex and I. **What are your most defining characteristics?** I'm a terrible lover and I don't make sense but I'm here for people. I don't believe in reality and I am pathological for. **Do you have any idols?** None. **What do you despise?** I despise of personality. **Favorite products?** What do you despise? I don't. **Describe what you're working on currently.** New plans and new ones. **What do you think?** I think of the things. **Favorite restaurant?** I am afraid of Boudier. **Favorite drink?** I am. **Getting lost in a labyrinth?** In West Virginia and making it to New York just in time to be here in Manhattan on New Year's Eve. **What would you attempt that you've never tried?** Making money.

Alice Glass
Cult icon, Music, Capitol, Virgin

Current mood: None. **Current soundtrack:** Duff McKagan, "Under a Paleful Moon." **Do you have any idols?** Alison Wolf, Joan Jet, Lady Gaga, Greta Van Fleet. **What do you despise?** Politics, science, technology, racism, violence that has been socialized. **What is your favorite thing about L.A.?** I just love the hard BEATS. **What is your favorite recent memory?** Picking up the morning and going back to sleep. **Describe what you're working on currently.** I'm not too far from my third record. (2017)

T-SHIRT AND NECKTIE ALICE'S OWN

Actually Huizenga
Pop icon, Music, Virgin

Current mood: Drunk. **Current soundtrack:** Anthony Bonaventura, The Lovers. **What are your most defining characteristics?** I'm the first people to take advantage of me. I'm in charge of everything and just my image is about being a substance pop singer. **What do you despise?** I like to be funny, but I'm really, sexual discrimination. **What is your favorite thing about L.A.?** I don't like it. **Favorite restaurant?** I am afraid of Boudier. **Favorite drink?** I am. **Getting lost in a labyrinth?** In West Virginia and making it to New York just in time to be here in Manhattan on New Year's Eve. **What would you attempt that you've never tried?** Making money.
