## BEACH BABE

**Best for:** Daytime – sunkissed skin that tans easily. **Eyes:** A splash of Sahara desert yellow works brilliantly with sunkissed skin. Paul blended yellow (try Mac Eye Shadow in Chrome Yellow, £9) onto the eyelids, with a grey-silver shimmer over the top (Becca Loose Shimmer Powder in Mermaid, £14, is gorgeous) and left the rest of the eye bare. So sexy for the beach. **Lips:** Paul used Nars Lip Lacquer in Chelsea Girl, £16.50. 'I love this colour – it looks sexy on everyone,' he says. **Hair:** Side-part your hair and make a French plait on the heavier side along your hairline. The great thing about this style is that it looks even better after a dip in the ocean – because as the salty water dries you get that gorgeous, wispy, beachy look.

**For extra sexiness:** Use a waterproof mascara to lengthen lashes without smudging

**MICHELLE  
GATTION, 37**  
"I started with  
a half-buzzed  
cut two years  
ago, and I kept  
going with  
it because it  
made me feel  
tough and  
confident. I'm  
beginning  
to go gray, but  
it doesn't bother  
me. I'm work-  
ing toward a  
silver-fox status."
