Just like an artist  
on her canvas, you  
must look at your  
eyes, lips, contours,  
cheekbones and  
even neckline to  
create your own  
masterpiece. From  
glitter eyes to arty  
liner and neon  
lips, your makeup  
will be the one  
thing other than  
your clothing  
itself that stands  
out the most.
