Thank you Chiyo Ishikawa for teaching us for nearly 3 decades that all you need in life is the right attitude and a red lip. Happy Holidays.

Love,
NORDSTROM

Thank you Grace Goodson for being our model, muse, and customer, all rolled into one stylish individual. Happy Holidays.

Love,
NORDSTROM

DOWN, DOWN, DOWN

The contributions of the humble goose to the sustained warming of mankind cannot be overstated. We owe the goose, huge, as each cluster of its down contains dozens of filaments that trap warm air and keep body heat in and cold out. It is not enough to stuff a shell with feathers, since everything would simply settle along the jacket's bottom. Instead, we have large horizontal channels of stitching across the jacket (or, less common, the square pockets created by vertical and horizontal stitching) that organize the down and keep it in place.

QUIRE'S BIG BLACK BOOK FALL 2014 167

BE SMART ABOUT YOUR LAYERS

We humans are capable of tremendous things. Space travel. Subatomic physics. Twitter. But we still, still cannot predict the weather with certainty, and when heading out in the cold, you've gotta keep all your options open. You've gotta layer. With milder temperatures, you can go simple—a cotton T-shirt underneath a cashmere sweater underneath a vest—but when the stakes are positively (or negatively) higher, you want to start with silk or cotton as your base (the better to wick moisture away from the body) before adding three or four wool pieces. Finish off with a down-filled parka and you're ready for whatever may, or may not, come your way.

SHEARLING: NO ARGUMENT

It's hard to argue with the inimitable softness and reliable warmth you can find only in the hide of a one-year-old sheep. That age isn't arbitrary. As sheep get older, their wool tends to get coarser and their skin tends to get banged up, meaning the best and softest wool of a sheep's life (and the most pristine hide) comes in the first year. The result is outerwear that can skew formal (knee-length, double-breasted) or casual (streamlined, zip-up) and last you for many long winters to come.

ALTUZARRA

"A lot of it came from sport," explains Joseph Altuzarra, holding a bonded-leather top inspired by hockey uniforms from his spring collection. "It started with the idea of how to take the functionality of fall into spring." The 27-year-old, Paris-born designer (photographed here with model Lior, Claire Courtin-Clarins, Lauren Santa Domingo, and cousin Lily) founds understands the tastes of the modern metropolitan woman whose 24-hour raccoon lifestyle demands a wardrobe that keeps pace. His signature: "A mix of something very sexy and something very utilitarian as well."

A.A. ANTONIO AZZUOLO

"The basic premise is building a man's wardrobe," explains Montreal-bred menswear designer Antonio Azzuolo, 41 (photographed with actor Ben Barnes), who at a sewing machine by age six (his mother was a seamstress, his father, a tailor's apprentice) and went on to Hermes, Kenzo, and, most recently, Ralph Lauren as menswear design director before launching his own line, in 2008, of carefully crafted pieces that cater to the downtown dandy. The result is a harmonious union of Upper and Lower East Side style—classic tailoring fused with off-kilter touches like slightly cropped jackets and rounded shirt collars. "There's a good balance in my collections between my highly tailored pieces and this kind of more forward, edgy, casual aspect," he says. "So there's a poetic side and a creative side."

CARLOS CAMPOS

Carlos Campos navigates deftly around his recently opened microboutique on the Lower East Side, pulling out pima cotton polo shirts as hand-dyed design showcases. "We play a lot with color because we like basics," says the 38-year-old menswear designer (Lior, photographed here with musician Trenché) who hails from Honduras and hopes to open ten stores—mostly in South America—within the next few years. "The ideal customer is a guy like me, who really appreciates the details. I cannot design something if I'm not thinking about how it's going to be constructed." Campos creates all of his patterns and colors himself, which determines both his bottom line and his schedule. "I think that's the reason why I'm still in business. I save a lot of money making everything myself. I have this little calendar that says, 'Today I have to do five patterns, three patterns.' When it's something fun, I do it on Saturday or Sunday." In this story: Production design by Nick Deo; jacket at Mary Howard Studio.
