**9 photographers. 9 unique visions.**  
**VII** These are the photographers of Agency VII. A partnership originally established by 7 of the world's best photographers, now grown to 9, that gives them the freedom to pursue their individualism. And their passion. They shoot on the front lines, and their work appears on the front pages. They shoot events that matter, and they shoot for the truth. And

**9 distinct styles. One camera. Canon.**  
 they all shoot with Canon. They choose Canon for its versatility and unmatched performance. For its advanced technology and durability. And because there's a Canon camera to match every photographer's needs, there's a Canon camera for you too. **Canon KNOW NOW**
