**EL GRAN
AÑO DE
EDGAR
RAMÍREZ**

Los últimos meses han sido cruciales en la carrera de este venezolano, quien hoy en día es uno de los histriones latinos con mayor proyección a nivel mundial. La charla que tuvimos con él evidenció su amor por la actuación, pero también su fascinación por la filosofía, el arte y, por supuesto, la moda como discurso sociológico.

BACK-SEAT DRIVER

A refined sport coat works well at the office with a white shirt. Wear it with a dark shirt and pants—and a white-patterned polka-dot tie—to elevate the look.

A pinstripe suit can still make waves. The red stripes are a quietly revolutionary riff on the menswear staple, and the patterned shirt underneath is a bold move that pays immediate dividends.

Vanity SULL'ONDA

DOPPIETTA AL CINEMA
Edgar Ramírez, 38 anni, venezuelano, è atteso nelle nostre sale con due film: il 27 gennaio arriva *Point Break*, remake del cult uscito nel 1991, il 28 *Joy*.

Cabrón e gentiluomo

Esperto di design, diplomatico mancato, patito di politica: il venezuelano EDGAR RAMÍREZ, attore del momento, non è il classico belloccio da set. Anche se un giorno un insulto gli ha fatto cambiare strada

off CAMERA

From inconsolable crying at age 12 when he didn't get a part, to filling journals with elaborate fictional backstories of his characters when he *did* get the part, Michael B. Jordan clearly takes his career very seriously. In *Fruitvale Station*, his performance shows how that hard work has paid off. The exceptional young actor talks to *Off Camera* about early experiences on *The Wire* and *Friday Night Lights*, about finding the humanity in his characters, and about how he doesn't want to be the next anybody.

"THE WALKING DEAD"

"I was on a plane the other day, drinking a hot coffee at like 6 a.m., and some guy grabs my arm and shakes my arm and goes, 'Oh my God, you're Daryl!' and coffee just went all over me. So it's kind of been like that every day."
