**THE SON ALSO RISES**

*Micheil Richardson may not be a household name yet, but the 23-year-old actor is no stranger to bright lights.*

The son of Liam Nesson and the late Natasha Richardson (for whom he changed his surname last year in remembrance), Micheil can still recall visiting his father on set as a child, but times have changed since then—the two are now set to share the screen in the action-packed *Cold Pursuit*, out this month. “It’s odd at first,” he says of acting opposite his father. “Part of it’s very natural because I just play the son. I think it’s kind of a very jarring experience for him because he’s been acting since his twenties, you know. Forty years not really acting with his son or anybody in his family.”

However jarring it may have been for Nesson at first, working together has clearly become a joy for them both, as the pair have signed on to film *Made in Italy* together in Tuscany this year. Again

Richardson will play his father’s son, as the two renovate a summer home that’s been in their characters’ family for generations. “It’s a very powerful story,” he says. “It sort of deals with death and the relationship between father and son, and digging up the past, bonding.”

Richardson hasn’t shied from stepping out on his own, despite this familial working relationship. Last year he had roles in a new series, *Big Dog*, and the movie *Fox Lux*, starring Natalie Portman and Jade Law. One might assume such experiences go to a young man’s head, but think again. Of his role in the latter, he’s quick to speak of his luck and that he’s “only in it for five minutes.” Such charming humility suggests that won’t be the case for long. —*Alexandra Gomez*
