#98 No one can deny my beautiful rose garden! - DEVON AOKI, 26, model and actress

Devon Aoki is unstoppable, inspiring the likes of Jeremy Scott and Karl Lagerfeld, modelling for Versace, Fendi and Jean Paul Gaultier, appearing on cinema screens in *Sex City* and *2 Fast 2 Furious*, and gracing the cover of *i-D* not once, not twice, but three times. A tireless beauty, Devon looks as fresh faced as the day she started.

Describe yourself! **I laugh a lot!** Hidden talents? **A green thumb, no one can deny my beautiful rose garden!** Who would you most like to interview and why? **A dream world is good, but this world is better!** My Mom because she has a fascinating life, an interesting family history and the greatest stories. My Dad because he was the ultimate challenger, and I wish I had more time with him... and Michael Bloomberg, he's the man! Favourite film? *Karate Kid* Favourite record? **Eddie Vedder, he's my alarm clock!** Shop? **Dragon Books, Beverly Glen LA** What was the first *i-D* magazine you ever bought? **My first cover with i-D** What has been your best over *i-Dea*? **Buying a home, falling in love with my dragon** What advice would you pass on to friends or family? **Putleck gatherings with friends and loved ones! It's affordable and much more fun than an hour in a restaurant!**

Devon wears cable ring Louis Vuitton. Jewel rings Gucci. Dome ring Tom Binns. Claw ring Dominic Jones. Cable ring Barberry. Opposite, bag Gucci.

SHE'S ALL THAT

It's not every model who gets to call Leonardo DiCaprio her boyfriend, but Bar Refaeli is perhaps the sexiest of them all. Born in rural Israel, she began modelling at just eight months old; her gorgeous looks and work for clients including Chanel and 'Sports Illustrated' have brought her to the peak of her profession.
