**#98 No one can deny my beautiful rose garden! - DEVON AOKI, 26, model and actress**

Devon Aoki is unstoppable, inspiring the likes of Jeremy Scott and Karl Lagerfeld, modelling for Versace, Fendi and Jean Paul Gaultier, appearing on cinema screens in *Sex City* and *2 Fast 2 Furious*, and gracing the cover of *i-D* not once, not twice, but three times. A tireless beauty, Devon looks as fresh faced as the day she started.

Describe yourself! **I laugh a lot!** Hidden talents? **A green thumb, no one can deny my beautiful rose garden!** Who would you most like to interview and why? **A dream world is good, but this world is better!** My Mom because she has a fascinating life, an interesting family history and the greatest stories. My Dad because he was the ultimate challenger, and I wish I had more time with him... and Michael Bloomberg, he's the man! Favourite film? *Karate Kid* Favourite record? **Eddie Vedder, he's my alarm clock!** Shop? **Dragon Books, Beverly Glen LA** What was the first *i-D* magazine you ever bought? **My first cover with i-D** What has been your best over *i-Dea*? **Buying a home, falling in love with my dragon** What advice would you pass on to friends or family? **Putleck gatherings with friends and loved ones! It's affordable and much more fun than an hour in a restaurant!**

Devon wears cable ring Louis Vuitton. Jewel rings Gucci. Dome ring Tom Binns. Claw ring Dominic Jones. Cable ring Barberry. Opposite, bag Gucci.

## LET THERE BE LOTS GOING ON

Once you find what works for you (whether that's color, sparkle, a big collar or all of the above), dare to wear it all at once.
