ORANGE CRUSH
The O.C.'s Mischa Barton, photographed in Los Angeles on April 26, 2004.

HER STYLE / MY STYLE

There is nothing "adorable" about Hannah Simone's **NEW GIRL** character, Cece. "Cece is proud of her body. She's empowered," says Simone. Unlike her BFF, Jess (Zoëly Deschanel), with her twee dresses and playful prints, Cece favors body-con looks and killer heels. "Being Cece has been a big education for me in the world of separates," says Simone, a huge devotee of dresses who recently has been hitting red carpets in an array of eye-popping printed designs by Peter Pilotto, Mary Katrantzou and Bibhu Mohapatra. "I like to push my boundaries," she says.

MY CHARACTER

"I think of Cece's style as 'model, off-duty,' with a bit of rock and roll."

—Hannah Simone, who plays Cece on Fox's *New Girl*
