**THERE'S GREAT VALUE IN PERSPECTIVE...**

These days, your weekends tend to operate on an entirely different schedule. Sleeping until 1:00 in the afternoon next to a couple of cheeseburger wrappers may have once been viewed as some sort of badge of courage. Now, however, your time means something more... and your tequila should, too. Milagro® Tequila's signature agave-forward taste elevates tequila from the commonplace to the connoisseur. Sip, savor and celebrate the end of the workweek with good friends and great conversation... without the side of fries.

This is your weekend, evolved.

**PUT IN A LITTLE LESS EFFORT...**

Scripted pickup lines, strong cologne and dad's vintage flannel will most certainly turn a few heads, but Milagro® Tequila knows—all that glitters is not gold. A truly distinctive person, much like a truly distinctive tequila, has little need for hype or superlative. And with its signature agave-forward taste, Milagro possesses a subtle, complex flavor that speaks for itself. Sip, savor and celebrate the return of style with substance.

This is taste, evolved.
