## LOU LOU LAND

브루클린과 블루진 그리고 루

루 소프는 젊음과 첫사랑의 이미지를 떠오르게 했다. 그녀의 웃음에서, 핑크립과 무표정에서, 무라카미 하루키가 (노르웨이의 숲)에서 써 내려간 젊음의 초상 같은 텍스트들이 묻어났다. 무엇을 보고 무엇을 느끼고 무엇을 생각한다 해도, 결국 모든 것은 자신에게 되돌아가버리는 시절. 루는 어쩌면 청춘, 이토록 잔인하게 푸른 봄철의 한가운데 서 있었다.

## COMMUNICATION

언어의 온도라든가 눈빛의 뉘앙스, 몸짓의 파장 같은 것들이 이 여름엔 더 섬세하게 전달된다.  
미묘하고 아주 사소하지만 그렇게 느껴진다. 더워서, 예민해져서 그런 걸까? 나쁘기만 한 건 아니다.  
아주 작은 진동의 커뮤니케이션도 금세 알아챌 수 있어 좋다. 리넨의 까슬한 감촉에 조금이나마 기분이 나아지고  
하늘거리는 선드레스에 여름밤이 어여빠진다. 사랑을 시작하기에도 아주 좋은 계절이다. 에디터 강효진

**BEAUTY**

**PLAN #4**  
**BE MINDFUL**

Tired and anxious? When we're stressed, the hormone cortisol is released, which prompts the body to store fat, particularly around the tummy. This is where meditation comes in. 'Meditation alters gene activity and increases the level of telomeres and enzymes that control the length of your chromosomes, thus slowing and reversing ageing,' says spiritual guru Deepak Chopra. 'Other biological markers are affected: metabolic rate, cholesterol levels, hormones, sugar, metabolism and a reduction in inflammation in the body.' Feeling calmer increases wellbeing, which has a positive effect on your body. Here's how to meditate.

- 1. Set aside** ten minutes a day.
- 2: Reflect.** Think – who am I? What do I want? What is my purpose?
- 3. Check your posture** and observe your body for any tension or discomfort, scanning your body from head to toe.
- 4. Focus on your breath.** Breathe in for five seconds, hold for five seconds and breathe out for five seconds.
- 5. Prepare to finish.** Become aware of your fingers and toes and the noises around you, then slowly open your eyes.

**PRO TIP**  
Essential oil blends have clinically proven therapeutic properties. Ila Bath Salts for Inner Peace, £49, calms, while Aromatherapy Associates Support Breathe Essence, £19, helps you breathe more deeply. ▶

## BESTIVAL

Isle of Wight's Bestival is for the serious party animals, with The Chemical Brothers and Underworld headlining. If you don't want to join in with the fancy-dress theme (it's 'The Summer of Love' for 2015), then opt for an Avatar-esque blue metallic eye.

**Make-up how to**

Intense glitter eyes will get you noticed. Use a glitter glue for a long-lasting look – Ben Nye Glitter Glue, £4.50, is great. Dab on the glitter and repeat for more intensity, then smudge black kohl into the roots of the lashes and inner rims to disguise any bare skin. Guerlain Khôl Me Kajal, £23.50, is the softest pencil. Lashings of mascara will open up the eyes more. Try a blue hue like Urban Decay 24/7 Glide-On Pencil in Sabbath, £15.50. For maximum impact, ensure skin has a natural-looking glow. Try Clarins Aquatic Treasures Summer Bronzing Compact, £30, for an infusion of youth against bare skin.

Top, Marco de Vincenzo; shorts, Felder Felder

The team shot and stayed at Constance Ephélie resort in Mahé, Seychelles. Rooms start at about £265 per night, including breakfast. To book, go to [constancehotels.com/en/hotels-resorts/seychelles/ephelie](http://constancehotels.com/en/hotels-resorts/seychelles/ephelie)

*Farm girl. Neo rusticana d'Irlanda in transito tra animali al pascolo e prati selvaggi. Addosso, lane corpose e panni ruvidi ad effetto mantella, portati su gonne a fiorellini, tartan scozzesi, cappotti sfrangiati e ruches indomite. In un susseguirsi di tweed allo stato brado liberamente interpretato: dalla versione macro alle proporzioni a uovo. Robusto sì, ma decisamente femminile*

## BACK TO BLACK

If you can't be bothered to change out of your jeans to go to that last-minute party, oodles of eyeliner twinned with a cool leather top will take your denim from shabby to chic.

**HOW TO** Arm yourself with Dior's game-changing Diorshow Pro Liner, £20. 'It glides on as smoothly as a liquid, but smudges easily to add that rebellious edge, before setting to stay put for a good 12 hours,' says Deveney. Or if it's serious staying power you're after, opt for Boots Seventeen Tattoo Me, £4.99, a semi-permanent liner that's beyond brilliant - you get a whole three days' wear from it. We're not joking. Perfect for party monsters, festival-goers and the abominably lazy. ►

## CHICK FLICK

Large eyes are a sign of youth (think babies and puppies), but we're not all blessed with Anne Hathaway-like peepers. The solution? Make yours look larger by faking it.

**HOW TO** Opt for a gel liner, such as Smashbox Jet Set Waterproof Eyeliner Gel, £17 – the soft-finish texture will make the line a little blurred, whereas a neat liquid line looks less natural. 'Ensure the liner is a bit thicker towards the outer corner, and flick up slightly at the end,' says Deveney. Apply with a precision eyeliner brush (try Jane Iredale Detail Brush, £11.95), then curl your lashes and add a coat of mascara. 'Straight lashes close off the eyes, drawing attention away from your pupils,' says Deveney. ▶

## TO THE POINT

If you're about to fly out of the door and notice you're looking a little, well, forlorn, reach for the liquid eyeliner. Not only will it give your appearance an instant boost (liquid eyeliner always looks badass: fact), but a neat tick applied at the outer corners can lift your eyes and elongate their shape - hello, instant facelift.

**HOW TO** Deveney promises that liquid eyeliner is easy to master. 'You need to choose a product with a firm nib, like a felt tip, rather than a brush,' she explains. 'Starting at the inner corner of the eyes, draw three-quarters of the way along each lash line. Then, looking in the mirror, draw a dot where you want the flick to finish on the side of each eye - make sure they're level - and join up the lines with the dots. Easy, right? Try

Max Factor Masterpiece High Precision Eyeliner, £7.99. It's super-pigmented and lasts up to 24 hours.
