hide

flaws effortlessly

This page: Here's the sexy way to camouflage a tummy or wide hips: a luxuriously loose, vibrant dress that has an alluring peekaboo hemline and spaghetti straps. Wearing heels keeps it from looking tentlike. Sachin + Babi silk dress, \$595, Ankasa, 212-996-5200. Aerin leather heels, \$298, zappos.com. Karen London necklace. Roberta Freymann clutch.

Choose

amped-up basics

Opposite: If it weren't for the extra-peppy pom-poms, this combo of a striped shirt and bright Capris would skew typical preppy. Too much color for you? Swap in black skinnies. Cynthia Rowley jersey top, \$250, cynthiarowley.com for stores. Boden stretch-cotton pants, \$88, bodenusa.com. Rosena Sammi bangles. Via Spiga sandals. For more buying information, see Credits (page 193).

try

a little romance

This page: Delicate chiffon with festive teal accents hits the right note for myriad events, from an intimate dinner to a blowout wedding. Nicole Miller Atelier silk dress, \$375, 212-288-9779. Tory Burch earrings. A.V. Max bracelet.

dash

from dawn to dark

Opposite: A splashy jumpsuit is more wearable than you might think, especially with a drapery cut and an elastic waist. Consider it a saucy alternative to the sundress. Wear it solo on warm days; toss a cropped boxy jacket over it on chilly nights. Raoul silk jumpsuit, \$640, Lord & Taylor, 800-223-7440. Karen London earrings. Gorjana cuff. Mar y Sol clutch.
