NICO

Younger heartthrob Nico Tortorella is no stranger to bearing it all (just jump on over to his Instagram account @nicotortorella and see for yourself). But with the success of Darren Star's latest series, the twenty-eight-year-old Tortorella finds his own star rising. Here the actor speaks with *FourTwoNine* about his acting roots, shares his thoughts on love and relationships, opens up about his recent sobriety and discusses his growing visibility in the LGBT community.

BY Slobhan O'Connor • PHOTOGRAPH BY Pamela Hanson

It's been 10 years and two kids since Christy Turlington Burns's last underwear campaign, but this month she'll be back on billboards half naked. What would compel her to strip down again after all these years (even if it is Calvin Klein who's asking)?
