We launched Amour Vert in 2010 with a clear mission—to make beautiful clothes that women love to wear, and to leave the world a better place than we found it. We're working to create a healthier planet for *FUTURE GENERATIONS*, and we're proud to be part of a *COMMUNITY* connected by the same goal. This month, we're excited to introduce *WOMEN WE AMOUR*. They make their voices heard and inspire us to do more. We're looking forward to a better and brighter new year—and we can't wait for you to join us.
