이번 시즌 중성적인 매니시 룩이 대세다. 고급스러운 테일러링이 가미된 핏츠 슈트, 완벽하게 재단된 재킷과 코트만 있다면 어렵지 않다. 여기에 나쁜 남자처럼 무심한 애틀루드만 더한다면 더할 나위 없겠고. *Photographer Derek Kettela @ Brydgos Mackinney*

**BE.
POLISHED**

Tailored, feminine clothing is so much prettier—and a lot less boring—than that overworked black skirt suit.

PULL IT OFF The ladylike trend doesn't seem old maid when you combine a modern cut with a traditional fabric: This tweed skirt suit feels fresh in a tunic shape, rather than an expected jacket—more Duchess Kate than Queen Elizabeth. To go casual, pair a blouse or blazer with white denim, which looks especially crisp and current set off by the season's confectionery colors. To dial down the demure, wear a statement necklace; keep the effect refined with jewelry in the same tones as your outfit.

BEAUTY NOTE Brows are the finishing touch to a sophisticated look. Define their shape with the Diorshow Brow Styler Pencil, \$28.

Top, \$295, skirt, \$375, and geometric bead necklace, \$695, Tory Burch. White bead necklace, Gerard Yosca, \$70. Watch, Tissot, \$450. Bag, Marc Jacobs, \$1,595

BE A Free SPIRIT

Explore the exotic without looking costume-y. The tribal trend is all about intricate beading and worldly patterns but in hues muted enough that you don't appear over-the-top.

PULL IT OFF Look for simple, easy silhouettes. A flowy trapeze-style dress, for example, that has beading on the bodice lends welcome weight and shape without sacrificing the comfort of the forgiving cut. But beware beads that aren't sewn flat against the fabric or are too large; they can add bulk. Make sure your dress shows some skin: Cutouts, a short hemline or a bare back keeps you well out of muumuu territory. Wear jewelry that's simple and graphic—or skip it altogether!

Tie that binds
