The INTERVIEW: Lorna Simpson

As she prepares for London's Frieze art fair, the New York artist talks to EVE CLAXTON about her modern work, style and friends in high-fashion places

Photographs by BJORN IOOSS

Lorna Simpson runs barefoot up the wooden stairs of her studio in Brooklyn's Clinton Hill, trailing a long cardigan behind her. As one of the art world's most in-demand artists, she's constantly on the go. This month, the New Yorker's work will be showcased at Frieze in London; then a retrospective of her career opens at the Haus der Kunst in Munich and as part of the Vera List Art Project at the Lincoln Center in New York; then she will be speaking about the theme of icons at the first TEDx event, an educational off-shoot of the original TED talks, held at the Metropolitan Museum Of Art. WHEN FRANCISCO MET BIANCA

The CALVIN KLEIN creative director arrived in New York at 21, barely speaking English but with a DREAM to design. Here he encounters one of his first icons, eternal fashion muse and activist BIANCA JAGGER.

join the CrossFit craze

A million buff bodies worldwide owe their hotness to this shape-up sensation. Now you can be one of them! The mini-workouts are super quick and ridiculously effective, combining basic elements of fitness, such as endurance, strength and agility. We challenged ESPN reporter and *Dancing With the Stars* alum **Erin Andrews** to try the trendy tone-up. Her reaction: "Shut your face!" (That's Erin-speak for *Loved it!*)

HOW TO TALK CROSSFIT
Box Gym isn't in CrossFitters' vocab. They hit the box!
WOD Pronounced like wad (as in gum), it stands for Workout of the Day. You'll get three fast, effective WODs on the next pages.
Rep priority Some WODs tell you exactly how many reps to do (e.g., three rounds of 10). Your goal is to race the clock—complete them as fast as you can with good form.
Time priority Other WODs (like WODs 1 and 3) tell you precisely how many minutes you have to perform. **RAP** (as many rounds or reps as possible). Hustle, hustle!

MOVE THIS WAY!
