A promotional banner for Restylane LYFT. The background is a deep purple with a subtle pattern of thin, light-colored lines. On the right side, there is a close-up photograph of a woman with long, wavy blonde hair, smiling and looking slightly upwards. The text is positioned on the left side of the banner. At the top left is the Restylane LYFT logo, with 'Restylane' in a script font and 'LYFT' in a sans-serif font below it. Below the logo is the text 'Perlane-L is now Restylane® Lyft.' In the top right corner, there are two links: 'Instructions for Use' and 'Important Safety Information'. Below these, a horizontal navigation bar contains several links: 'Find a Specialist', 'What Is Lyft', 'Before & After', 'How Lyft Works', 'AGELESS App', 'Rewards Program', and 'Related Products'. The main headline 'Get UpLifted' is in a large, light blue, sans-serif font. Below it is the sub-headline 'Natural-looking volume and definition for your cheeks.' in a smaller, white, sans-serif font. At the bottom left, there is a paragraph of text in a small, white, sans-serif font: 'Restylane® Lyft is now approved by the FDA for cheek augmentation and the correction of age-related midface contour deficiencies in patients over the age of 21. This is in addition to treating moderate-to-severe facial wrinkles and folds, such as nasolabial folds (smile lines).'

Restylane
LYFT

Perlane-L is now Restylane® Lyft.

Instructions for Use | Important Safety Information

Find a Specialist | What Is Lyft | Before & After | How Lyft Works | AGELESS App | Rewards Program | Related Products

Get UpLifted

Natural-looking volume and definition for your cheeks.

Restylane® Lyft is now approved by the FDA for cheek augmentation and the correction of age-related midface contour deficiencies in patients over the age of 21. This is in addition to treating moderate-to-severe facial wrinkles and folds, such as nasolabial folds (smile lines).
