AS WITH MOST GREAT PRODUCTIONS,
THE IMPORTANT WORK OFTEN
HAPPENS BEHIND THE SCENES

It does much, so you can do less. Advanced engineering on the MDX helps make you a better driver. And most of the time, you won't even know it's happening.

LIFE IS A JOURNEY ENJOY

The 2014 MDX is, perhaps, the most perfect road trip car ever developed — whether you're spending a weekend at the coast with friends or heading over the river and through the woods to grandmother's house.

HIDDEN STORAGE

Acura engineers created a hidden storage space behind the third row. Not to say that whatever you hide there needs to be valuable, as it perfectly fits an umbrella and pair of hiking boots.
