diamond, rubies, diamonds

In the world of Louis Vuitton High Jewelry, there are no boundaries. The new Louis Vuitton Spirit High Jewelry collection radiates with extraordinary gems like tsavorites, sapphires and rubies that are complemented with the purest diamonds, alluding to another dimension of fantasy. For Francesca Amfitheatrof, the maison's artistic director for watches and jewelry, this collection is rooted in the house's design heritage but also reveals the freedom of discovering and exploring new worlds.
