The image shows a magazine spread. The top half has a blue background with the word 'FRESH' in large, bold, orange and yellow letters. Below it, 'HOME FOOD LIVING' is written in smaller, orange and yellow letters. The main article is titled 'Bedded Bliss' and discusses organic cotton sheets. The bottom half of the spread features a photograph of laundry hanging on a line against a clear blue sky. A white stuffed rabbit is the central focus, hanging from a red sheet. To its left is a blue patterned sheet, and to its right is a pair of dark blue shorts. The rabbit has three small red buttons on its chest.

Bedded Bliss

Say bye-bye to beige with these luxurious sheets from Anna Sova. They're 100 percent organic cotton, and the vegetable-based dyes—in the deep indigo and vibrant raspberry pictured here, as well as purple and caramel—are kinder to the planet. You'll sleep soundly knowing your sheets are free of the pesticides, insecticides, and other chemicals used on conventional cotton. —Kieran Doberty
