TIMELINE - OF - WEAR

Staying true to our denim DNA, our Design Team meticulously studied the wear-and-tear on vintage denim to replicate the Journey of jeans that have been lovingly worn for 1-8 years.

The image displays a horizontal sequence of eight pairs of jeans, illustrating the stages of denim wear over time. The jeans are arranged in four groups of two, each representing a specific age range. From left to right, the jeans transition from dark, unworn denim to increasingly lighter, faded, and distressed denim, with visible signs of wear such as fraying, fading, and holes.

BROKEN-IN
1-2 Years of Wear

MIDDLE OF THE ROAD
3-4 Years of Wear

TRIED & TRUE
5-6 Years of Wear

OLD FAVORITE
7-8 Years of Wear

This season's key denim fabrications feature a super soft handfeel, large amount of stretch (with superior retention) and luxurious finish. They're designed to be comfortable, flexible and feel ultra indulgent.
