THE ORIGINALS

Six pioneers of the modelling industry prove they only get better with age

Photographs by
Brian Grady

Alison Edmond
Directed by
Lindsey Schaff

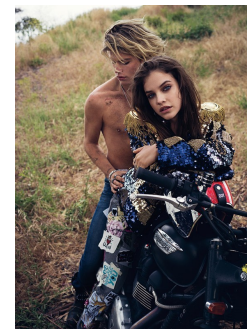

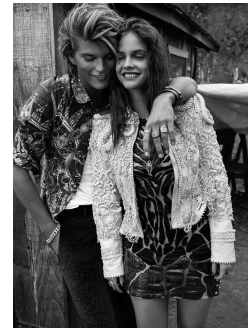

It is a well-known thing: a model's career is built on a foundation of youth and beauty. But for six of the industry's most iconic figures, the story is different. These are the pioneers who have shaped the industry for decades, and their enduring presence is a testament to their talent and resilience. In this special feature, we celebrate the careers of six of the most influential models in history, from the 1950s to the present day. Each of these models has a unique story, and their impact on the industry is undeniable. From the iconic faces of the 1950s to the modern-day supermodels, these are the originals who have defined the industry for generations.
