That spark

Fall in love with glitter, as sparkle and shine take over. "We're going to blow glitter onto the forehead and into her hair to look as if it's coming out of the water," described Val Garland at Freen. Offering a futuristic feel, it's all about excess. TIP For just a touch of glitter, apply sparkle to your eyes and lids by using lipgloss to adhere it to skin.

Just like an artist
 on her canvas, you
 must look at your
 eyes, lips, contours,
 cheekbones and
 even neckline to
 create your own
 masterpiece. From
 glitter eyes to arty
 liner and neon
 lips, your makeup
 will be the one
 thing other than
 your clothing
 itself that stands
 out the most.
