## HARDIOR

With this Fall 17 collection, Kris Van Assche is taking inspiration from the New Wave period. Emerging at the end of the 1970's in Europe and the USA, this movement is an "offshoot" of Rock 'n Roll music, characterized by the use of electronic devices to complete guitar riffs. Paying tribute to the House Savoir-Faire and its heritage, Kris Van Assche is also re-interpreting traditional tailoring in the light of underground inspirations, creating contrasting combinations which are the base of the new Dior Homme spirit.

LOVE STORY

PHOTOGRAPHY FILIPPO DEL VITA      STYLING JENESEE UTLEY

"In Paris, a special location has become a mythical meeting place point for all lovers: the Pont des Arts. Thousands of padlocks were attached to the famous bridge to symbolise love stories from all over the world. Love Story Eau

Sensuelle's colour evokes the setting sun. The ribbon tied around the bottle's neck naturally adopts the same delicate hue."

"The sun sets on Paris. The rooftops are silhouetted against the amber sky.

A slight breeze runs along the banks of the Seine. The day fades out, a soft and playful love story unfolds at dusk. He is fascinated. She is unwittingly seductive. She perfectly embodies Chloé's femininity."
