SKINCARE  
TO DELIVER  
RESULTS.**

No in-consumer study with 95% accuracy after 28 days.  
\*In a clinical study of 11 women over 4 weeks.

## HOLD YOUR MAKEUP TO THE SAME STANDARD.

You're serious about your skincare—it has to work. But why should you stop there? That's precisely why we created **No Makeup Foundation** and **Foundation Serum**. Only Perricone MD allows you to confidently create a natural, "no makeup" look because we've packed our formulas with powerful, proprietary sciences that actually improve skin's appearance over time. Neuropeptides and daisy flower extract visibly smooth wrinkles and reduce uneven tone, while Broad Spectrum SPF 20 protects skin.

Discover the kind of confidence that doesn't wipe off.

The advertisement features a man and a woman in 1980s-style athletic wear (windbreakers and headbands) walking and eating daiya pizza slices. The background is a solid light blue, and the floor is a light green. In the bottom right corner, there are three packages of daiya products: American Style Succes, Pepperoni Style, and Cheddar Style Shreds. The text 'deliciously dairy-free' is written in a cursive font at the bottom right.
