LEAGUE OF
DESIGNERS
SEES THE
FUTURE IN
DOWN.

The future may be dark, but the fashion industry is not. In a new series of editorials, we explore the future of fashion through the lens of the Justice League of Designers. In this series, we feature a group of emerging designers who are pushing the boundaries of fashion and creating a new future for the industry. The series is a collaboration between the Justice League of Designers and the Art Department. The series is a collaboration between the Justice League of Designers and the Art Department.
