**"I'd rather have something that is emotionally true than try to sing it perfectly."**

A full-body photograph of actress Zooey Deschanel. She is wearing a vibrant red, sleeveless, knee-length dress with a large bow at the waist. She has long, dark, wavy hair with bangs and is looking directly at the camera with a slight smile. Her hands are raised slightly, and she is wearing a white chain bracelet on her left wrist and long, thin earrings.A small inset image of the album cover for 'A Very She & Him Christmas'. It features Zooey Deschanel and actor Ryan Murphy in formal attire, standing in front of a red curtain.

A *Very She & Him Christmas* is a feel-good album in more ways than one: A portion of the proceeds goes to 826 National, a charity that provides tutoring to underprivileged students.

 cover star

## Do what moves you!

Charisma, talent and quick wit have made **Zoey Deschanel** a star in music, movies and the digital world, and now on TV. The constant? She always follows her heart. Her live-happy message? Let your true self guide you. **By Erin Bried**

**m**ost people spend too much time comparing themselves to others," Zoey Deschanel says. "Get to know *yourself* a little bit better," she advises. "Stop and ask yourself a few questions, and think about you." One simple know-yourself query that Deschanel, star of *(500) Days of Summer*, suggests: What have been your favorite projects ever? Your answer might pinpoint what will most fulfill you going forward. (Deschanel's picks: "My high school plays and the records I've made with my band, She & Him.") Besides singing and acting, Deschanel, 31, tweets, bakes, blogs, writes, plays the ukulele and still makes time to relax in front of the TV (she likes Bravo's *Top Chef*) with her husband, Death Cab for Cutie's Ben Gibbard. And she does it all with the attitude "Don't overthink. If it feels right, do it!" Inspired to do a little introspection? Have fun considering your favorite activities and moments and how you can pack every day with more of them!

“Everyone needs a theme song! It should make you feel like a million dollars. At the moment, mine is 'Friends of Mine' by the Zombies. It makes me extremely happy.”

"I can hula-hoop for hours!" Deschanel says. (No joke—she hooped it up at the cover shoot.) Dress, Shoshanna

## Dream Role

If you were Jake Paltrow, shooting your first film, would *you* want your sister Gwyneth to star in it?

BY EMILY NUSSBAUM

**G**WYNETH PALTROW, her brother Jake, and I are discussing work-anxiety dreams. He claims he doesn't have any. She says she has them all the time—especially a recurring dream, one that for anyone else wouldn't be a work dream at all.

"It's always the same," she tells me. "I'm doing a Shakespeare play, and I don't know the lines. It's usually *As You Like It*."

## COURTNEY LOVE

by Tom Munro

Martire o cacciatrice? La sa voglia sentire, Courtney Love si conda dell'aura di diva mietta. La sua biografia passa sola. Droga e rock'n'roll. Dolore e glamour. È stata definita la "Yoko Ono" del grunge, di quel "Lennon" del suo marito suicida, Kurt Cobain. Una "dirty blonde". E una speculatrice. "Courtney Love ha compiuto il viaggio di andata e ritorno dall'inferno, ed è sopravvissuta", scriveva una sua fan in una lettera che Poppy Z. Brite, scrittrice macabra autrice di "Cadavere squisito", ha riportato nella biografia "Courtney Love: the real story". Ed è proprio così. È saltata da un passato di spogliarellista in Giappone e Alaska ai palchi rock, che da madrina delle riot girls - il network di band femminili nato nell'underground americano nei primi Novanta in risposta al grunge - incendiava con la sua band Hole, ai red carpet di Hollywood. Si è rifatta una vita da attrice, lavorando anche con Milos Forman nel contestato film "Larry Flynt", e accanto a Ben Affleck e Christina Ricci in "200 cigarettes". Con l'aiuto di vistosi interventi di chirurgia plastica, si è ricostruita un'immagine glamour, da lolita-chic che si diverte a definire "kinderwhore", diventando musa ispiratrice per grandi fotografi di moda come Richard Avedon. Ma la sua fama di scandalosa femme terrible stenta a esaurirsi. A quarantadue anni, Courtney Love incarna l'icona della diva trasgressiva e ribelle. Pronta a sorprendere tutti. È infatti già pronto il nuovo album, sequel del precedente "America's Sweetheart", che annuncia di voler pubblicare nei primi mesi dell'anno. Sarà un'altra love-story. (Jacket Burberry Prorsum. "Black's too harsh," says

dab clear gloss in the middle
