*Golden Moments*

Inspired to celebrate the lasting joy of life's simple gifts, Tatjana Patitz and her son spent a special afternoon by the seaside. Amidst the sunshine and the cool Fall breeze blowing in from the coast, they embraced the opportunity to appreciate the little things and to treasure the memories of time spent in the company of the people they love most.

A woman with long blonde hair, wearing a bright yellow halter-neck dress and colorful bracelets, is smiling broadly. She is holding a small blue and white Dasani Drops bottle in her right hand, pouring the liquid into a clear plastic Dasani water bottle held in her left hand. The water bottle has a splash of pink liquid on its surface. The background is plain white.
