**DIVOKÁ**

**ILUZE** **SVĚŽÍHO**

**JARA**

— Vezměte si barevnou paletu všestranně nadané *Ester Krumbachové* z šedesátých let, surrealistický pohled malířky *Jany Olexové* na přírodu a k tomu zářivé pastely make-up artistky *Ammy Drammeh*, a získáte neodolatelný koktejl, na němž můžete vystavět tisíce a jeden vzhled v sezoně, která nezná hranice fantazie a boří všechna pravidla, jaká jste kdy o barvách a jejich kombinacích slyšeli.

BELLEZA — PRIMER PLANO

El colorate Gucci Blush de Beauté (tono 07, True pink) se aplica en las mejillas y en la cuenca de los ojos para conseguir una armonía en el resultado. El ojo se delinea con Stylo Contour des Yeux (tono 01, Noir). El labio se dibuja y se colorea con la barra Rouge à Lèvres Mat (510, Joanna Burgundy) y después se cubre de brillo de Gloss à Lèvres (tono 118, Suzanne brown). Todo de GUCCI BEAUTY. Blusa de GUCCI.

belleza

## RELUCIENTE COMO EL CRISTAL

El material sólido  
inspira a la industria  
de la belleza: sus  
destellos se recrean en  
labiales chispeantes  
y su textura sugiere  
encapsulaciones para  
activos cosméticos.

## MIRAR ATRÁS PARA AVANZAR

El pasado le sirve de inspiración al maquillaje, que hoy recupera algunos de sus superventas. Lanzamientos aderezados, eso sí, con técnicas modernas y nuevas fórmulas.

En los ojos, la sombra en crema Colorshot (tono Glow up, 91), aplicada con el dedo desde el lagrimal y difuminada hacia el exterior del ojo; y sobre ella unos toques de Liquid metal shot. En la boca, labial Glowies (tono Dad joke, 012). Todo de RABANNE. Pendientes de eslabones de RABANNE.

[www.art-dept.com](http://www.art-dept.com)

# Art Department

La sombra verde de Handbag palette (Paradise lost, them found) se extiende con el dedo por la cuenca del ojo, y en el párpado móvil se añaden unos toques del dorado de Mini palette (Iconique). En las pestañas, máscara con purpurina Famous top coat mascara (Silver & gold). Y en los labios, Glowies (tono Kiss jaters, 038). Todo de RABANNE. Top metalizado de RABANNE.

MAKEUP

## 珍珠白×煙熏紫

想眼妝依然保持明淨粉嫩感，不想太快被濃烈秋色感染，你可以利用珍珠白與淡紫色打造光感微煙妝。對於膚色偏黃的亞洲女生而言，畫上珠光感眼妝時，要避免在底妝與唇色上使用高光感色調，宜選用霧面底妝及啞光唇膏，同時要加強睫毛與眼線效果，才能凸顯妝容的清透高級質感。mc
