Shirt Marc by Marc Jacobs.

**What does the most successful male model in the world do in his spare time?**

Study, for the new venture in my life.

**You're quite a way from home amidst the New York smoke, what do you miss when you're away from Kennesaw, Georgia?**

Sweet tea and my family.

**What one item do you always make sure you have in your fridge?**

Chilli.

**You're known to be friends with a couple of other guys working in the industry, what is the camaraderie like amongst other male models?**

We don't talk about modeling.

**As you strut down the catwalk what do you find yourself thinking?**

Try not to trip.

**What are your dreams and aspirations beyond modelling?**

My future career in acting.

**Zoolander is famous for his "Blue Steel" pose, what's your signature look?**

The Sean O (lol).

**What is your daily beauty and exercise routine from the moment you wake till the moment you retire to bed?**

A nice long shower and a shave.

**What does your diet consist of, do you watch what you eat, what is your favourite meal to eat and if we coming for dinner what would you cook?**

No diet, and good old fashioned.

**Man or woman, who has been the most beautiful person you have ever met?**

My mother.
