The image is a magazine cover for JCK. It features a close-up portrait of a woman with dark hair and light eyes, wearing a white feathered top. She is adorned with several pieces of diamond jewelry: a large diamond earring, a ring with a large diamond on her ring finger, and a wide, multi-strand diamond bracelet on her left wrist. Her hand is resting against her face. The background is a plain, light color.

Kick and punch for fun

Tra le discipline vintage, la boxe è di sicuro la più antica. E all'interno delle sue versioni classiche, la più adatta alle donne è quella francese, chiamata anche savate. Rispetto alla boxe inglese ammette l'uso dei piedi per i calci, e quindi si basa su allenamenti che muovono tutti i gruppi muscolari, con risultati sul fisico esteticamente più equilibrati. Due gli indirizzi storici dove provarla: la palestra Ursus di Milano (boxeursus.com) e la Audace di Roma (audaceroma.it).

Da sinistra: Bikini top di microfibra a pois con profilo in contrasto, Twin-Set Simona Barbieri; bikini top di tessuto sensibile con piccole borchie applicate, Parah. Stirmedia a rigate, Emporio Armani. Guantoni da box, Stash Wardrobe Rental.

In aumento le appassionate di arti marziali e combat games. Sono ideali per il reshaping. E richiedono concentrazione e strategia. Doti molto femminili

Bike trail on the sand

BEACH CRUISE
Andare in bici è forse il modo più semplice ed eternamente di moda per mantenersi in forma. Se però lo si fa sulla spiaggia, con l'attrito della sabbia, si fatica di più, troppo. Ecco perché serve un mezzo adatto, come le bici Beach Cruiser: nate negli anni Trenta in California, sono le due ruote preferite dai surfisti e sono diventate un vero oggetto di culto per chiunque voglia allenarsi pedalando sulla battigia (biceruser.com). Ma a parte il design, ciò che le rende uniche è l'assetto: con pneumatici a bassa pressione per non affondare tra le dune e un telaio che mantiene la postura eretta, eviteranno dolori alla schiena e alle spalle anche dopo aver macinato chilometri.
