# MASCULINE TOUCH

이런 시몬은 중성적인 메니스이 특이 대세다. 고급스러운 데일리로써 기미의 평소 스타일, 완벽하게 재단된 재킷과 코트만 있다면 어찌지 않다. 여기에 나쁜 남자처럼 무심한 애타워드면 대환다면 대환 나뉘어 없었고. / Photographer Derek Korte of Ruydgv Mackinnay

## BE POLISHED

Tailored, feminine clothing is so much prettier—and a lot less boring—than that overworked black skirt suit.

**PULL IT OFF** The ladieslike trend doesn't mean old maid when you combine a modern cut with a traditional fabric. This trend skirt suit feels fresh in a tunic shape, rather than an expected jacket—more Duchess Kate than Queen Elizabeth. To go casual, pair a blouse or blazer with white denim, which looks especially crisp and current set off by the season's confetti-style colors. To dial down the denim, wear a statement necklace, keep the effect refined with jewelry in the same tones as your outfit.

**BEAUTY NOTE** Brows are the finishing touch for a sophisticated look. Define their shape with the Diorshow Brow Styler Pencil, \$25.

Top, \$295; skirt, \$375; and accessories, head necklace, \$995; Tory Burch White Leaf necklace, \$195; watch, \$150; shoes, \$245; bag, Marc Jacobs, \$1,595

## BE A FREE SPIRIT

Update the season without looking costume-y. The tribal trend is all about intricate beading and exotic patterns, but it has mellowed enough that you don't appear over the top.

**PULL IT OFF** Look for simple, easy silhouettes. A flowy tunic-style dress, for example, that has beading on the bodice lends welcome weight and shape without sacrificing the comfort of the forgiving cut. But beware: beads that aren't seen flat against the fabric or are too large they can still bulk.

Make sure your dress shows some skin. Cutouts, a short hemline or a bare back keeps you well out of maximum territory. Wear jewelry that's simple and graphic—or skip it altogether!

Dress, BOGMAA, \$145; Off-White, \$125; Bracelet, \$25; Hair, Dark Brown for Brown Hair, \$195; Clutch, \$195; Shoes, \$195; Watch, \$150; Bag, \$195; Makeup, \$195; Model, \$195
